

Corporate Profile

SSI Business Solutions (SSI) is a professional service company focusing on Human Capital Management, Workforce Procurement and Staff Augmentation, IT Solutions and Business Improvement Services.

Since 1994, SSI has successfully delivered quality, value-added solutions to public and private-sector clients nationwide. Our dedication to excellence is reflected in our numerous achievements including the *Small Business Person of the Year* award for the District of Columbia in 2004 from the U.S. Small Business Administration, the *Woman Owned Business of the Year* award from the USDA and being named one of the *Top 50 Diversity Owned Businesses* from Div2000.com, an e-business solutions provider.

SSI serves clients through distinct business units for specialized needs, interfacing and aligning divisions as necessary for those clients requiring more comprehensive services.

- **Workforce Procurement and Staff Augmentation Division**
- **IT Services and Solutions Division**
- **Human Capital Management Division**
- **Business Improvement Services Division**

SSI partners with clients to achieve their strategic goals, providing expertise through a comprehensive, full-scope menu of services ranging from workforce analysis and forecasting, human capital acquisition, and employee life-cycle performance management, to providing the procedures and system applications necessary for efficiently managing the entire process.

Our team comprises seasoned professionals with extensive applicable, hands-on business skills and experience in managing all facets of human capital management delivered through state-of-the-art electronic solutions. We are dedicated to ensuring our clients' success by creating measurable improvements and enhancements to their business processes.
